Introducing Oculus Quest, Our First 6DOF All-in-One VR System, Launching Spring 2019

[Oculus Blog](#) | Posted by Oculus VR | September 26, 2018 | [Share](#)

Quests Goals

Training & Rollout

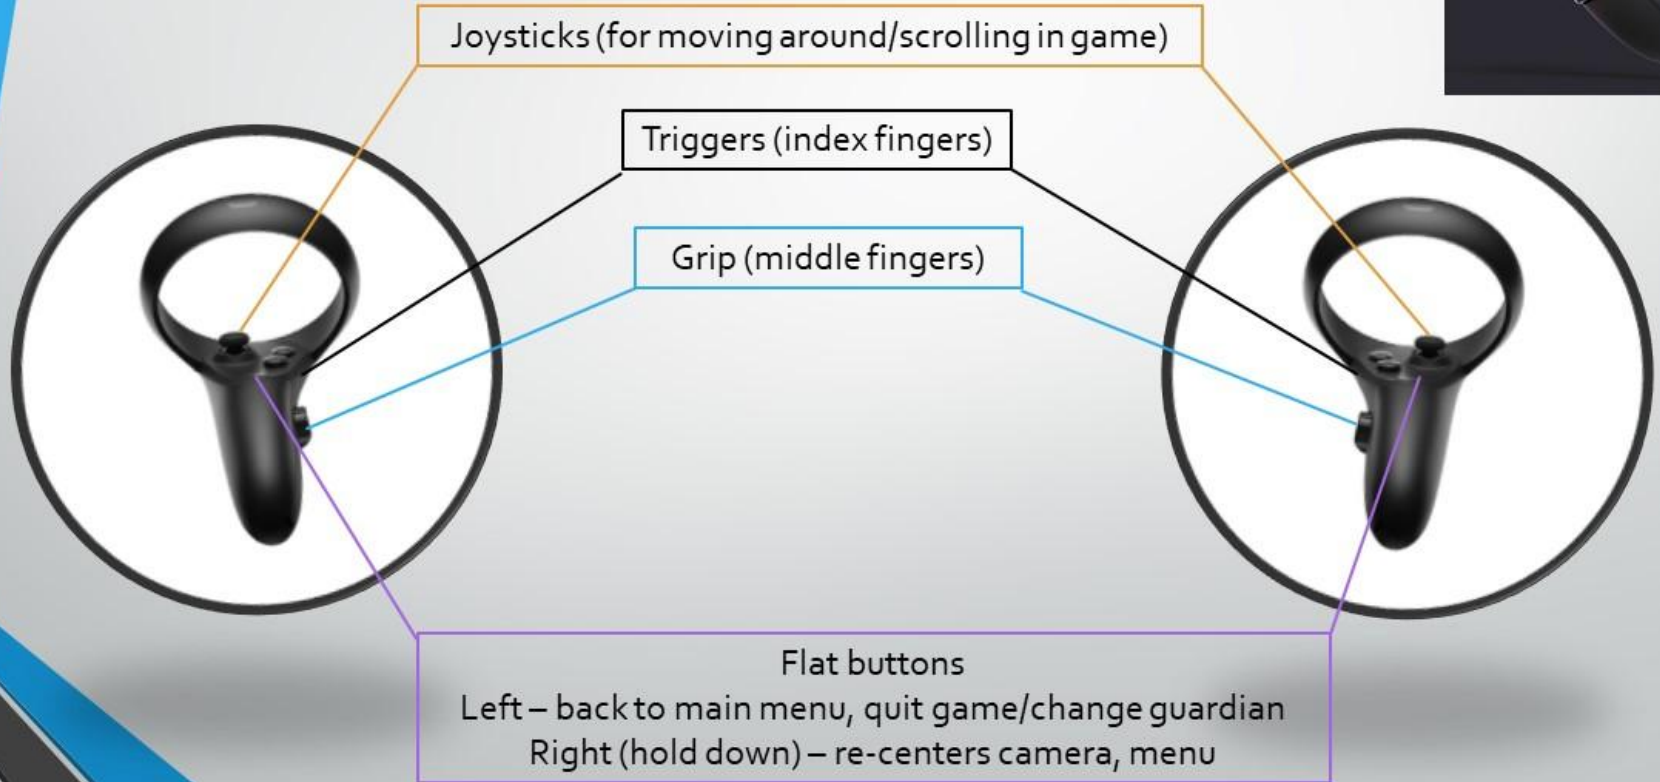

Quest Best Practices

1. Create a tape boundary
2. Button walkthrough before they put the headset on
3. Always do the demo (First Steps)
4. Play through the games or experiences in advance.
5. Use a chromecast if possible.

The Oculus Quest Touch Controllers

- Terminology – triggers, grip, flat buttons, joystick

PROGRAMMING

Themes

- ★ VR Empathy
- ★ Logic Puzzles
- ★ VR Horror
- ★ VR Space (S@YL)

Strategies

- ★ Limit experience options (3-4)!
- ★ Encourage cooperation for more participation
- ★ Fun → Exposure
- ★ For age 13+ (includes adults!)

Play Rift Content on Quest with Oculus Link, Available Now in Beta!
